Explanation of Responses:

- Each phantom unit gives the holder the right to receive a common unit equal to the number of phantom units or the cash value of the vested phantom units as determined by the Compensation Committee in its discretion.
- The phantom units were granted pursuant to a Written Consent of Directors dated January 11, 2013. Each phantom unit is the equivalent in value to a common unit but is subject to a one year vesting period which is January 11, 2014. The phantom units are accompanied by dividend equivalent rights ("DER"), which entitle the director to receive the value of any dividends made by the Company on its units generally with respect to the number of phantom units that director received pursuant to this grant.
