QUESTIONS & ANSWERS ON VOTING PROCEDURES

Who is entitled to vote at the Annual Meeting, and how many votes do they have?

Holders of record of our units (including common units and Class B units) who owned units as of the close of business on September 6, 2016 (the “Unitholders”) may vote at the meeting. Each unit has one vote. There were 131,039,674 units outstanding on that date.

When were the enclosed solicitation materials first given to Unitholders?

The enclosed 2015 Annual Report, together with the Notice of Annual Meeting and Proxy Statement, were first made available on the internet at www.proxyvote.com on September 8, 2016.

What is a quorum of Unitholders?

Our common units are currently traded on The NASDAQ Global Select Market (“NASDAQ”). Under the NASDAQ listing rules, a quorum is the presence at the Annual Meeting in person or by proxy of Unitholders entitled to cast 33 1/3% of all votes entitled to be cast. Since there were 131,039,674 units outstanding on September 6, 2016, the presence of holders of 43,679,891 units is a quorum. We must have a quorum to conduct the meeting. How many votes does it take to pass each matter?

If a quorum of Unitholders is present at the meeting, we need:

- a plurality of all the votes cast on the proposal to elect each director nominee; and
- a majority of all the votes cast on the proposal to ratify the appointment of BDO USA, LLP as our independent registered public accounting firm.

How are abstentions and broker non-votes treated?

Abstentions and broker non-votes count for purposes of determining the presence of a quorum. For all matters, abstentions and broker non-votes will not have any effect on the result of the vote.

How do I vote?

Unitholders of Record: Unitholders may vote their units or submit a proxy to have their units voted by one of the following methods:

- **By Internet.** You may submit a proxy electronically on the internet by following the instructions provided in the Notice of Availability of Proxy Materials. Please have the Notice of Availability of Proxy Materials in hand when you log onto the website. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m. Central time on October 24, 2016.
- **In Person.** You may vote in person at the Annual Meeting by completing a ballot; however, attending the meeting without completing a ballot will not count as a vote.
- **By Telephone.** If you request paper copies of the proxy materials by mail, you may submit a proxy by telephone (from U.S. and Canada only) using the toll-free number listed on the proxy card. Please have your proxy card in hand when you call. Telephone voting facilities will be available 24 hours a day and will close at 11:59 p.m. Central time on October 24, 2016.
- **By Mail.** If you request paper copies of the proxy materials by mail, you may indicate your vote by completing, signing and dating your proxy card and returning it in the enclosed reply envelope.

Street Name Unitholders: Street name Unitholders may generally vote their units or submit a proxy to have their units voted by one of the following methods:

- **By Mail.** If you request paper copies of the proxy materials by mail, you may indicate your vote by completing, signing and dating your proxy card and returning it in the enclosed reply envelope.

- By Methods Listed on Proxy Card. Please refer to your proxy card or other information forwarded by your bank, broker or other holder of record to determine whether you may submit a proxy by telephone or electronically on the internet, following the instructions on the proxy card or other information provided by the record holder.
- In Person with a Proxy from the Record Holder. You may vote in person at the Annual Meeting if you obtain a legal proxy from your bank, broker or other nominee. Please consult the voting form or other information sent to you by your bank, broker or other nominee to determine how to obtain a legal proxy in order to vote in person at the Annual Meeting.

If my units are held in “street name” by my broker, will my broker vote my units for me?

If your units are held in a brokerage account, you will receive a full meeting package including a voting instructions form to vote your units. Your brokerage firm may permit you to provide voting instructions by telephone or by the internet. Brokerage firms have the authority under rules to vote their clients’ unvoted units on certain matters such as the ratification of the independent registered public accounting firm. As a result, if you do not vote on Proposal No. 2, your brokerage firm may choose to vote for you or leave your units unvoted. The matter covered by Proposal No. 1 requires the vote of the actual Unitholder and cannot be completed by your broker. We urge you to respond to your brokerage firm so that your vote will be cast in accordance with your instructions.

If I own preferred units am I able to vote those units?

No. Unitholders of the preferred units do not have voting rights on the proposals presented at this time.

How will my proxy vote my units?

If you properly submit your proxy and voting instructions by mail, telephone or internet, as applicable, your units will be voted as you direct. If you submit your proxy by mail, telephone or internet, as applicable, but do not specify how you want your units voted, they will be voted as recommended by the Board of Directors. Also, you will give your proxies authority to vote, using their discretion, on any other business that properly comes before the meeting, including to adjourn the meeting.

Can I vote by proxy even if I plan to attend the Annual Meeting?

Yes. If you vote by proxy and decide to attend the Annual Meeting, you do not need to fill out a ballot at the meeting, unless you want to change your vote.

Can I vote by proxy or change my vote?

Yes. If you are a Unitholder, you can revoke your proxy or change your vote at any time before your proxy is exercised by:

- submitting written notice to our Secretary at Vanguard Natural Resources, LLC, 5847 San Felipe, Suite 3000, Houston, Texas 77057 no later than October 24, 2016 that you are revoking your proxy or changing your vote;
- submitting another proxy with new voting instructions by telephone or the internet voting system; or
- attending the meeting and voting your units in person.

If you are a street name Unitholder and you vote by proxy, you may change your vote by submitting new voting instructions to your bank, broker or nominee in accordance with that entity’s procedures.

Who is soliciting my proxy, how is it being solicited, and who pays the cost?

We will pay the expenses of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling and mailing the proxy solicitation materials. American Stock Transfer and Trust Company, LLC (“AST”), as part of its duties as our registrar and transfer agent, mails our proxy solicitation materials to certain of our Unitholders. Fees for this service are included in the annual fee we pay to AST for its services as registrar and transfer agent, provided,

however, we are obligated to pay AST out-of-pocket expenses of approximately \$2,000. Our directors, officers and employees may also solicit proxies in person or by other means of communication. These directors, officers and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. We are required to request that brokers, banks and other nominees that hold our common units in their names furnish our proxy materials to the beneficial owners of the units, and we must reimburse these brokers, banks and other nominees for the expenses of doing so, in accordance with statutory fee schedules.

The matters to be considered and acted upon at the Annual Meeting are referred to in the preceding notice and are discussed below more fully.

MATTERS YOU ARE VOTING ON

Proposal No. 1: Election of Directors

The Board of Directors currently consists of five directors who are elected by the Unitholders. All five of our current directors have also been nominated by the Board of Directors for election as directors at the Annual Meeting to serve until the 2017 Annual Meeting and until their respective successors are elected and qualified. Each of the nominated directors agrees to serve if elected. However, if for some reason one of them is unable to serve or for good cause will not serve, your proxies will vote for the election of another person nominated by the Board of Directors. Biographical information for each of the nominees and other information about them is presented beginning on page 6. *The Board of Directors recommends a vote "FOR" each director nominee.*

Proposal No. 2: Ratification of BDO USA, LLP as Independent Registered Public Accounting Firm for 2016

This proposal is to ratify our appointment of BDO USA, LLP as our independent registered public accounting firm for 2016. See Proposal No. 2 on page 36. *The Board of Directors recommends a vote "FOR" this proposal.*

Other Business Matters

The Board of Directors is not aware of any other business for the Annual Meeting. However:

- if any of the persons nominated to serve as directors are unable to serve or for good cause will not serve and the Board of Directors designates a substitute nominee,
- if any Unitholder's proposal is properly presented for action at the meeting, or
- if any matters concerning the conduct of the meeting are presented for action,

then Unitholders present at the meeting may vote on such items. If you are represented by proxy, your proxy will vote your units using his or her discretion.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Directors are elected each year at the annual meeting of Unitholders. Our five current directors have been nominated to stand for re-election at the Annual Meeting. We encourage our director nominees to attend our annual meetings to provide an opportunity for Unitholders to communicate directly with directors about issues affecting our Company. We anticipate that all director nominees will attend the Annual Meeting.

At the Annual Meeting, our Unitholders will consider and act upon a proposal to elect five directors to our Board of Directors to serve until the 2017 Annual Meeting.

Each director nominee brings a strong and unique background and set of skills to the Board of Directors, giving the Board of Directors as a whole the competence and experience to effectively and efficiently manage and direct the Company. Vote Required; Recommendation of the Board of Directors

Directors are elected by a plurality of the votes cast, assuming a quorum is present. Abstentions and broker non-votes have no effect on this proposal, except they will be counted as having been present for purposes of determining the presence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT UNITHOLDERS VOTE FOR THE ELECTION OF EACH OF THE BOARD OF DIRECTORS' DIRECTOR NOMINEES. IF NOT OTHERWISE SPECIFIED, PROXIES WILL BE VOTED FOR EACH OF THE BOARD OF DIRECTORS' NOMINEES.

Determination of Independence

A majority of our directors are required to be independent in accordance with NASDAQ listing standards. For a director to be considered independent, the Board of Directors must affirmatively determine that such director has no material relationship with us. When assessing the materiality of a director's relationship with us, the Board of Directors considers the issue from both the standpoint of the director and from that of persons and organizations with whom or with which the director has an affiliation. The Board of Directors has adopted standards to assist it in determining if a director is independent. A director shall be deemed to have a material relationship with us and shall not be deemed to be an independent director if:

- a director who is, or at any time during the past three years was, employed by the Company;
- a director who accepted or who has a family member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following: (i) compensation for board or board committee service, (ii) compensation paid to a family member who is an employee (other than an executive officer) of the Company or (iii) benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- a director who is a family member of an individual who is, or at any time during the past three years was, employed by the Company as an executive officer;
- a director who is, or has a family member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following: (i) payments arising solely from investments in the Company's securities or (ii) payments under non-discretionary charitable contribution matching programs;
- a director of the Company who is, or has a family member who is, employed as an executive officer of another entity where at any time during the past three years any of the executive officers of the Company serve on the compensation committee of such other entity; or
- a director who is, or has a family member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

The Board of Directors has determined that each of Messrs. Anderson, Singletary and McCullough is independent under the NASDAQ listing standards. In addition, the audit, compensation and nominating and corporate governance committees are composed entirely of independent directors in accordance with NASDAQ listing standards,

SEC requirements and other applicable laws, rules and regulations. There are no transactions, relationships or other arrangements between us and our independent directors that need to be considered under the NASDAQ listing standards in determining that such directors are independent.

Corporate Governance

During 2015, our Board of Directors held 4 regular and 13 special meetings. The standing committees of our Board of Directors held an aggregate of 9 meetings during this period. Each director attended at least 96% of the aggregate number of meetings of the Board of Directors and the committees on which he served.

As required by the NASDAQ corporate governance listing standards, Scott W. Smith, our President and Chief Executive Officer, will timely provide the annual certification to the NASDAQ, as applicable, that as of the date of the certification, he is not aware of any violation by Vanguard Natural Resources, LLC of the exchange's corporate governance standards. Our Chief Executive Officer and Chief Financial Officer have each signed and filed the certifications under Section 302 of the Sarbanes-Oxley Act of 2002 with our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, which was filed with the SEC on March 8, 2016, and on our Form 10-K/A, which was filed on April 1, 2016.

We maintain on our website, www.vnrllc.com, copies of the charters of each of the committees of the Board of Directors, as well as copies of our Corporate Governance Guidelines, Code of Ethics for Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer, Insider Trading Policy and Code of Business Conduct and Ethics. Copies of these documents are also available in print upon request of our Secretary. The Code of Business Conduct and Ethics provides guidance on a wide range of conduct, conflicts of interest and legal compliance issues for all of our directors, officers and employees, including our Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer. We will post any amendments to, or waivers of, the Code of Business Conduct and Ethics applicable to our Chief Executive Officer, Chief Financial Officer or Principal Accounting Officer on our website.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors has no policy with respect to the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Mr. Anderson, one of our independent directors, currently serves as Chairman of the Board of Directors. The Corporate Governance Guidelines adopted by our Board of Directors provide that the independent directors will meet in executive session after each regular meeting of the Board of Directors, or more frequently if necessary. As Chairman of the Board of Directors, Mr. Anderson serves as lead independent director and chairs any non-management executive sessions of the Board of Directors.

The management of enterprise level risk ("ELR") may be defined as the process of identification, management and monitoring of events that present opportunities and risks with respect to creation of value for our Unitholders. The Board of Directors has delegated to management the primary responsibility for ELR management, while the Board of Directors has retained responsibility for oversight of management in that regard. Management will offer an ELR assessment to the Board of Directors at least once every year.

Committees of the Board of Directors

Audit Committee. As described in the audit committee charter, the audit committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent public accountants to audit our financial statements, including assessing the independent auditor's qualifications and independence, and establishes the scope of, and oversees, the annual audit. The audit committee also approves any other services provided by public accounting firms. The audit committee provides assistance to the Board of Directors in fulfilling its oversight responsibility to the Unitholders, the investment community and others relating to the integrity of our financial statements, our compliance with legal and regulatory requirements, the independent auditor's qualifications and independence and the performance of our internal audit function. The audit committee oversees our system of disclosure controls and

procedures and system of internal controls regarding financial accounting, legal compliance and ethics that management and our Board of Directors established. In doing so, it is the responsibility of the audit committee to maintain free and open communication between the committee and our independent auditors, the internal accounting function and management of our Company.

The Board of Directors has determined that the chairman of the audit committee is an “audit committee financial expert” as that term is defined in the applicable rules of the SEC. Mr. McCullough is the Chairman and Messrs. Anderson and Singletary are members of the audit committee. During 2015, the audit committee held 4 meetings. The audit committee charter can be found under the “Corporate Governance” tab at www.vnrlc.com.

The report of our audit committee appears under the heading “Report of the Audit Committee” on page 13.

Compensation Committee. As described in the compensation committee charter, the compensation committee establishes and reviews general policies related to our compensation and benefits. The compensation committee determines and approves, or makes recommendations to the Board of Directors with respect to, the compensation and benefits of our Board of Directors and executive officers and administers our LTIP. The primary purpose of the compensation committee is to assist our Board of Directors in fulfilling its duties relating to compensation matters. The fundamental responsibilities of the compensation committee are (i) to establish our goals, objectives and policies relevant to the compensation of senior management, and evaluate performance in light of those goals to determine compensation levels, (ii) to approve and administer our incentive compensation plans, (iii) to set compensation levels and make awards under incentive compensation plans that are consistent with our compensation principles and the performance of Vanguard and its senior management and employees, and (iv) to prepare and review appropriate disclosures relating to compensation.

Mr. Singletary is the Chairman and Messrs. Anderson and McCullough are members of the compensation committee. During 2015, the compensation committee held 4 meetings. The compensation committee charter can be found under the “Corporate Governance” tab at www.vnrlc.com.

The report of our compensation committee appears under the heading “Report of the Compensation Committee” on page 25.

Conflicts Committee. Our Board of Directors has established a conflicts committee to review specific matters that the Board of Directors believes may involve conflicts of interest, including transactions with related persons or with our directors and executive officers. The conflicts committee determines if the resolution of the conflict of interest is fair and reasonable to the Company. Our Fifth Amended and Restated Limited Liability Company Agreement (the “LLC Agreement”) provides that members of the conflicts committee may not be officers or employees of our Company, or directors, officers or employees of any of our affiliates, and must meet the independence standards for service on an audit committee of a board of directors as established by NASDAQ and SEC rules. Any matters approved by the conflicts committee will be conclusively deemed to be fair and reasonable to our Company and deemed approved by all of our Unitholders. However, the Board of Directors is not required by the terms of our LLC Agreement to submit the resolution of a potential conflict of interest to the conflicts committee, and may itself resolve such conflict of interest if the Board of Directors determines that (i) the terms of the related person transaction are no less favorable to us than those generally being provided to or available from unrelated third parties or (ii) the transaction is fair and reasonable to us, taking into account the totality of the relationships between the parties involved. Any matters approved by the Board of Directors in this manner will be deemed approved by all of our Unitholders.

Mr. Anderson is the Chairman and Messrs. McCullough and Singletary are members of the conflicts committee. During 2015, the conflicts committee did not hold any meetings. The conflicts committee charter can be found under the “Corporate Governance” tab at www.vnrlc.com.

Nominating and Corporate Governance Committee. As described in the nominating and governance committee charter, the nominating and governance committee nominates candidates to serve on our Board of Directors. The nominating and governance committee is also responsible for monitoring a process to review director, board and committee effectiveness, developing and implementing our corporate governance guidelines, committee members and committee chairpersons and otherwise taking a leadership role in shaping the corporate governance of Vanguard.

Mr. Anderson is the Chairman and Messrs. McCullough and Singletary are members of the nominating and corporate governance committee. During 2015, the nominating and corporate governance committee held one meeting. The nominating and corporate governance committee charter can be found under the “Corporate Governance” tab at www.vnrllc.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires our directors and executive officers, and persons who beneficially own more than 10% of a registered class of our equity securities, to file initial reports of ownership of our equity securities and reports of changes in ownership of our equity securities with the SEC. Such persons are also required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms furnished to us and written representations from our executive officers and directors, we believe that during 2015 all Section 16(a) reporting persons complied with all applicable filing requirements in a timely manner, except that (i) each of Messrs. Robert, Smith and Pence filed a late Form 4 on January 6, 2015 regarding the acquisition of restricted units they received on January 1, 2015; (ii) each of Messrs. Robert and Smith filed a late Form 4 on January 6, 2015 regarding the acquisition of common units they received on January 1, 2015 in lieu of their first quarter 2015 cash compensation; (iii) each of Messrs. Robert and Smith filed an amended Form 4 on January 7, 2015 regarding the acquisition of common units they received on January 1, 2015 in lieu of their first quarter 2015 cash compensation; (iv) each of Messrs. Smith and Pence filed a late Form 4 on January 7, 2015 regarding the disposition of common units that vested on January 1, 2015 and (v) each of Messrs. McCullough, Singletary and Anderson filed an amended Form 4 on January 7, 2015 regarding the acquisition of common units they received on January 1, 2015 in lieu of their first quarter 2015 cash compensation.

Nominations for Director

The Board of Directors seeks diverse candidates who possess the background, skills and expertise to make a significant contribution to the Company. Annually, the nominating and corporate governance committee reviews the qualifications and backgrounds of the directors, as well as the overall composition of the Board of Directors, and recommends to the full Board of Directors the slate of director candidates to be nominated for election at the next Annual Meeting of Unitholders. The Board of Directors has adopted a policy whereby the nominating and corporate governance committee shall consider the recommendations of Unitholders with respect to candidates for election to the Board of Directors and the process and criteria for such candidates shall be the same as those currently used by us for director candidates recommended by the Board of Directors or management.

A Unitholder who wishes to recommend to the nominating and corporate governance committee a nominee for director for the 2017 Annual Meeting should submit the recommendation in writing to our Secretary at Vanguard Natural Resources, LLC, 5847 San Felipe, Suite 3000, Houston, Texas 77057 so it is received on or before May 11, 2017 but not earlier than April 11, 2017.

- has the time, energy, interest and willingness to become involved with us and our future.

Unitholder Communications

The Board of Directors has adopted a policy whereby any communications from our Unitholders to the Board of Directors shall be directed to our Secretary, who shall (i) determine whether any of such communications are significant, and promptly forward significant communications to the Board of Directors, and (ii) keep a record of all Unitholder communications that the Secretary deems not to be significant and report such communications to the Board of Directors on a periodic basis, but not less frequently than quarterly.

Any Unitholder who wishes to communicate to the Board of Directors may submit such communication in writing to our Secretary at Vanguard Natural Resources, LLC, 5847 San Felipe, Suite 3000, Houston, Texas 77057.

Compensation and Indemnification of Directors

Information regarding the compensation provided to our non-employee directors is presented in "Director Compensation" beginning on page 32.

Each director is fully indemnified by us for actions associated with being a member of our Board of Directors to the extent permitted under Delaware law and as provided in our LLC Agreement. We also carry director and officer liability coverage designed to insure our directors and officers, and directors and officers of our subsidiaries, against certain liabilities incurred by them in the performance of their duties. Additionally, we entered into an indemnification agreement with each of our current members of the Board of Directors, a form of which was filed as Exhibit 10.32 of our Quarterly Report on Form 10-Q for the three and six months ended June 30, 2008.

Compensation Committee Interlocks and Insider Participation

Messrs. Singletary, Anderson and McCullough currently serve as members of the compensation committee and each are "independent" directors as defined by the NASDAQ listing standards. No member of the compensation committee has any relationship with Vanguard that is required to be disclosed in any of the reports that we file with the SEC other than service on our Board of Directors. None of our executive officers serves as a member of the compensation committee (or in the absence of such committee, the board of directors) of any entity that has one or more of its executive officers serving as a member of our compensation committee.

Related Person Transactions

We have adopted an ethics policy which requires that related party transactions be reviewed to ensure that they are fair and reasonable to us. This requirement is also contained in our LLC Agreement. Whenever a conflict arises between an affiliate of the Company, on the one hand, and us or any other Unitholder, on the other hand, our Board of Directors will resolve that conflict. We anticipate that our Board of Directors will submit for review and approval by our conflicts committee any material agreement that we enter into with an affiliate of the Company.

During 2015, we did not participate in any related person transactions that are required to be disclosed under the applicable rules and regulations of the SEC.

Report of the Audit Committee

The role of the audit committee of the Board of Directors is to assist the Board of Directors in its oversight of Vanguard's responsibility relating to: (i) the integrity of Vanguard's financial statements; (ii) compliance with legal and regulatory requirements; (iii) the independent registered public accounting firm's qualifications and independence; (iv) the performance of Vanguard's internal auditors and independent registered public accounting firm; (v) risk assessment; and (vi) risk management. We operate pursuant to a charter that was created by Vanguard's Board of Directors in October 2007 and was subsequently amended and restated in January 2009 and October 2013, a copy of which is available on Vanguard's website at www.vnrllc.com. Vanguard's management is responsible for the preparation, presentation and integrity of Vanguard's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing Vanguard's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. The independent registered public accounting firm has free access to the audit committee to discuss any matters they deem appropriate.

In the performance of our oversight function, we have considered and discussed the audited financial statements with management and the independent registered public accounting firm. We rely without independent verification on the information provided to us and on the representations made by management and the independent registered public accounting firm. We have discussed with the independent registered public accounting firm the matters required to be discussed by PCAOB Auditing Standard No. 16 (Communications with Audit Committees). Finally, we have received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board, Independence Discussions with Audit Committees, as currently in effect, and have considered whether the provision of non-audit services by the independent registered public accounting firm to Vanguard is compatible with maintaining the independent registered public accounting firm's independence and have discussed with the independent registered public accounting firm the independent registered public accounting firm's independence.

Based upon the reports and discussions described in this report, we recommended to the Board of Directors that the audited financial statements be included in Vanguard's 2015 Annual Report filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This compensation discussion and analysis provides information about our compensation objectives and policies for our named executive officers. The named executive officers and the individuals included in our Summary Compensation Table below are:

- Scott Smith, our President and Chief Executive Officer;
- Richard Robert, our Executive Vice President, Chief Financial Officer and Secretary; and
- Britt Pence, our Executive Vice President of Operations.

Objectives and Summary of Our Executive Compensation Program

The compensation committee of our Board of Directors administers our executive compensation plans and agreements and makes compensation-related decisions regarding our executive officers. Our primary goal with respect to executive compensation has been to attract and retain the most talented and dedicated executives possible. Through our current employment agreements with our named executive officers (effective January 1, 2013, for Messrs. Smith, Robert and Pence), we have linked annual cash incentives to the achievement of specified performance objectives in an effort to align executives' incentives with the creation of Unitholder value, as measured by our ability to (a) generate stable cash flows allowing us to make monthly cash distributions to our Unitholders and over time to increase our monthly cash distributions and (b) increase the market value of our units. We also align executives' interests with the interests of our Unitholders through our use of long-term equity incentive awards under our LTIP. As discussed below, we provided our named executive officers with substantially the same compensation in 2015 as we did in 2014, in accordance with their employment agreements. Please refer to "Elements of Compensation" and "2015 Executive Compensation Components" for additional information regarding our annual cash incentive and long-term equity incentive programs.

In 2014, we held our second Unitholder advisory vote under Section 14A of the Exchange Act on the compensation paid to our named executive officers for 2013, which resulted in over 90% of the votes cast approving such compensation. As recommended by our Board of Directors, a majority of Unitholders expressed their preference for an advisory vote on executive compensation occurring every three years, and we have implemented that recommendation. As a result, our third Unitholder advisory vote on executive compensation will occur as part of the 2017 Annual Meeting. In evaluating our executive compensation program for 2015, our compensation committee did not make any changes to our executive compensation program or policies as a result of the 2014 "say on pay" advisory vote and, given the support Unitholders expressed for our compensation programs, generally elected to apply the same principles in determining the types and amounts of compensation to be paid to our named executive officers for 2015. The compensation committee intends to monitor the results of future "say on pay" advisory votes when evaluating the effectiveness of our executive compensation policies and practices, particularly in the event of a negative vote or significant changes in the percentage of favorable votes with regard to any such proposal.

The Compensation-Setting Process

Compensation Committee Meetings. Our compensation committee meets periodically throughout each year as required to carry out its duties. The chairman of the compensation committee works with our Chief Executive Officer to establish each meeting agenda.

The compensation committee has established an annual process for determining executive compensation. For each fiscal year, the compensation committee will review the base salaries of the named executive officers to determine whether any increase is appropriate. In addition, the compensation committee makes equity award grants under the LTIP

to the named executive officers for each fiscal year, either in the form of restricted unit grants or phantom unit grants. Pursuant to the terms of the amended employment agreements with the named executive officers, which are described below under “—Employment Agreements,” base salary changes will be effective April 1 and equity award grants will be made effective January 1 of the following year.

The compensation committee typically meets at least once per year in the presence of our Chief Executive Officer and our Chief Financial Officer. Depending upon the agenda for a particular meeting, the compensation committee may also invite other directors to participate in compensation committee meetings. The compensation committee also meets in executive session without management. The chairman of the compensation committee works with our Chief Executive Officer and, in applicable years, with its independent compensation consultant, Longnecker & Associates (“Longnecker”), to assemble meeting materials, which are distributed to compensation committee members for review in advance of each meeting.

Role of Executive Officers. Except with respect to his own compensation, our Chief Executive Officer, with advice from our other executive officers as appropriate, plays a significant role in the compensation committee’s establishment of compensation levels for our executive officers. The most significant aspects of his role in the process are:

- evaluating performance of the other named executive officers; and
- recommending base salary levels and LTIP awards.

With respect to compensation for the named executive officers, (other than our Chief Executive Officer), the compensation committee meets with our Chief Executive Officer outside the presence of all our other executive officers. The compensation committee meets outside the presence of all of our executive officers to consider appropriate compensation for our Chief Executive Officer.

Role of Compensation Consultant. When the compensation committee has chosen to employ an independent compensation consultant, it has chosen Longnecker as its consultant since 2008. In 2015, the compensation committee did not solicit the services of Longnecker or any other outside consulting firm to conduct an annual competitive market analysis of our named executive officers’ total compensation packages. Prior to the beginning of 2014, the compensation committee discussed and approved that there would be no additional increases to our named executive officers’ compensation packages going into the 2014 year and 2015 year that were not already provided for in the employment agreements entered into in 2013, thus the compensation committee determined that it was not necessary to engage a consultant to assist in setting compensation for the named executive officers for the 2014 and 2015 years.

Our compensation committee evaluates individual executive performance with a goal of setting targeted total direct compensation (base salary plus targeted annual incentives plus long term equity incentives) for our named executive officers over time at levels up to the 75th percentile of executives in other companies of similar size and stage of development engaged in the acquisition and development of mature, long-lived natural gas and oil properties, while also considering our relative performance and our own strategic goals. In past years Longnecker has assisted the compensation committee with this analysis. For the 2014 and 2015 years, in light of our historic long term equity incentive granting practices, our total unitholder return (“TUR”) performance in recent years and our desire to retain key members of our executive team, the compensation committee did not increase the base salary of the Chief Executive Officer or Chief Financial Officer, yet remained committed to the long term equity incentive opportunity grants that are set forth within the employment agreements entered into in 2013.

Elements of Compensation

We have determined that our executives’ compensation should consist of the following elements:

Base Salary. We provide our named executive officers and other employees with a base salary to provide them with a reasonable base level of monthly income relative to their role and responsibilities they perform during the fiscal

year. Salary levels are typically considered annually as part of our performance review process as well as upon a promotion or other change in job responsibility. Merit-based increases to salaries of our executives are based on the compensation committee's assessment of the individual's performance. During its review of base salaries for executives, the compensation committee will primarily consider:

- market data to be provided by outside consultants;
- internal review of the executive's compensation, both individually and relative to other executive officers; and
- individual performance of the executive.

Annual Cash Incentive Compensation. Annual cash incentive compensation is intended to compensate officers for achieving financial and operational goals and for achieving individual annual performance objectives. Our annual cash incentive compensation program links annual cash incentives with the achievement of specified performance objectives in an effort to align executives' incentives with creation of Unitholder value. Currently, a portion of the annual cash incentive award for each named executive officer is tied to specified company performance objectives and a portion of the annual cash incentive award is discretionary and tied to individual performance. Individual performance objectives may vary depending on the individual executive, but relate generally to strategic factors such as expansion of our operations and to financial factors such as improving our results of operations and increasing our monthly cash distributions. The actual amount of incentive compensation for each year is determined following a review of company performance and each executive's individual performance and contribution to our strategic goals conducted during the first quarter of the following year.

LTIP Awards. We believe that long-term performance is achieved through an ownership culture that encourages long-term performance by our executive officers through the use of unit-based awards. We adopted the LTIP prior to the consummation of our initial public offering. Our LTIP was adopted to incentivize and reward employees, consultants, directors and employees who perform services for us. The LTIP does not provide for formulaic or automatic grants of any awards, however, the employment agreements with our named executive officers do provide for annual equity awards, as described beginning on page 18. It is a traditional omnibus plan that permits the grant of various types of awards (units, options, appreciation rights, restricted units and phantom units) as determined by our compensation committee, in its sole discretion.

The compensation committee has the authority under the LTIP to award incentive compensation to our executive officers in such amounts and on such terms as the compensation committee determines in its sole discretion. The compensation committee considers data provided by Longnecker in determining which individuals who perform services (directly or indirectly) for our benefit will receive awards, the type of award or awards, the amount and the performance and vesting terms of such awards. Through the year ended December 31, 2015, only unit options, restricted units and phantom units (including appreciation-only awards more akin to unit appreciation rights) have been granted under the LTIP and these awards occurred at levels required under the employment agreements entered into in 2013 with our named executive officers.

Outstanding restricted units and phantom units (including appreciation-only awards) under the LTIP are eligible to receive cash distributions paid on certain of the units awarded. These cash distributions may be paid currently to the award holders at the same time distributions are paid to Unitholders generally. Alternatively, participants may elect to defer all or any portion of the distributions with respect to certain awards.

Other Compensation. Each named executive officer is eligible to participate in all benefit plans and programs that are or in the future may be available to our other executive employees, including any profit-sharing plan, thrift plan, health insurance or health care plan, disability insurance, pension plan, supplemental retirement plan, vacation and sick leave plan, and other similar plans. The compensation committee in its discretion may revise, amend or add to an officer's

executive benefits and perquisites as it deems advisable. We believe that these benefits and perquisites are typically provided to senior executives of comparable companies in our industry.

Perquisites

We believe in a simple, straight-forward compensation program and as such, named executive officers are not provided unique perquisites or other personal benefits. The compensation committee periodically reviews the use of potential perquisites that could result in personal benefits to our named executive officers. Consistent with the compensation committee's strategy, no perquisites or other personal benefits exceed or are expected to exceed \$10,000 annually for any of our named executive officers.

Retirement Savings Plan

All employees, including our named executive officers, may participate in our Retirement Savings Plan, or 401(k) Plan. We provide this plan to help our employees save for retirement in a tax-efficient manner. Each employee may currently make pre-tax contributions of up to \$18,000 (for 2015) of their base salary if they are under 50 years old and \$24,000 (for 2015) of their base salary if they are over 50 years old. We make "safe harbor" matching contributions to the 401(k) Plan equaling up to 6% of compensation (subject to certain adjustments) for each eligible employee, including the named executive officers (up to a maximum amount of \$15,900 for 2015). All contributions are fully vested. All amounts that we contributed to the 401(k) Plan for 2015 on behalf of our named executive officers are disclosed in the "Summary Compensation Table."

Nondiscriminatory Health and Welfare Benefits

All eligible employees, including our named executive officers, may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance and life insurance.

Employment Agreements

Certain terms of our named executive officers' compensation are governed by employment agreements. We believe that these employment agreements assist us in attracting and retaining talented and dedicated executives by clearly setting forth the terms of employment and providing certainty to both parties. We maintain employment agreements with our named executive officers to ensure they will perform their roles for an extended period of time.

We entered into amended employment agreements (the "FY 2013-2015 Employment Agreements") with Messrs. Smith and Robert on June 6, 2013, which were effective January 1, 2013, and with Mr. Pence on July 8, 2013, which was effective January 1, 2013, in each case, to set forth the revised terms of each executive's employment relationship with us after considering then-current market conditions, the executives' then-current level of compensation, the recommendations of our Chief Executive Officer (with respect to the compensation of Mr. Robert and Mr. Pence) and the recommendations for executive compensation as contained in Longnecker's executive compensation review from December 2012.

In addition to establishing minimum base salaries and annual performance-based bonus opportunities, the FY 2013-2015 Employment Agreements also provided the named executive officers with annual equity-based compensation awards, consisting of restricted units and/or phantom units granted under the LTIP. Each of the executives was eligible to receive annual equity-based compensation awards having an aggregate fair market value equal to the executive's then-current annual base salary times a set multiplier, which was five (5) times in the case of Mr. Smith, three and a half (3.5) times in the case of Mr. Robert, and two and three-quarters (2.75) times in the case of Mr. Pence. These annual equity-based compensation award grants were intended to reward these individuals for their service with Vanguard and to align the interests of management with those of our Unitholders. Our executive officers' FY 2013-2015 Employment Agreements also provided the executives with certain other benefits, including reimbursement of business and

entertainment expenses. The initial term of the 2013-2015 Employment Agreements with Messrs. Smith, Robert and Pence ended on January 1, 2016.

On March 18, 2016, we entered into amended employment agreements with Messrs. Smith, Robert and Pence, which were effective January 1, 2016 (the “Amended Employment Agreements”), the terms of which are described in a Form 8-K filed with the SEC on March 22, 2016. The Amended Employment Agreements provide that, during fiscal year 2016, (i) Mr. Smith will be entitled to an annual base salary of \$600,000, (ii) Mr. Robert will be entitled to an annual base salary of \$470,000 and (iii) Mr. Pence will be entitled to an annual base salary of \$440,000. The Amended Employment Agreements provide the named executive officers with annual performance-based cash bonus awards based on a new set of company performance components, each comprising 25% of the aggregate annual bonus, including adjusted EBITDA results, production results, lease operating expenses and cash general and administrative expenses. Each of the executives is also eligible to receive annual equity-based compensation awards having an aggregate fair market value equal to the executive’s current annual base salary times a set multiplier, which is five and a half (5.5) times in the case of Mr. Smith, four (4.0) times in the case of Mr. Robert, and three and a half (3.5) times in the case of Mr. Pence. These annual equity-based compensation award grants are intended to reward these individuals for their service with Vanguard and to align the interests of management with those of our Unitholders.

2015 Executive Compensation Components

For the year ended December 31, 2015, the principal components of compensation for our named executive officers were:

- Short-term compensation:
 - base salary;
 - annual incentive compensation awards; and
 - distributions on restricted units and phantom unit awards
- Long-term equity compensation:
 - awards of restricted units
 - Retirement and other benefits

Our compensation committee believes that a large amount of “at-risk” compensation is appropriate to retain and motivate our named executive officers in providing future services to us. In addition, our compensation committee seeks to provide a mix of compensation elements that is similar to the mix of compensation elements provided by other companies within our general peer group. We do not allocate cash or non-cash compensation, or short-term or long-term compensation, to the executives under any specific formula, but instead take into consideration all factors that we think are appropriate to consider at the time that compensation decisions are being made.

Base Salary

As noted above, the compensation committee determined that it was not necessary to engage a compensation consultant for the 2015 year in part because the compensation committee made the decision not to materially change the compensation packages for our named officers for the 2015 year. The base salaries set for our Chief Executive Officer and our Chief Financial Officer remained set at 2014 levels.

The table below reflects the base salary rates for our named executive officers for 2015 and 2014:

<u>Named Executive Officer</u>	<u>Base Salary as of January 1, 2015</u>	<u>Base Salary as of January 1, 2014 ⁽¹⁾</u>
Scott W. Smith	\$550,000	\$550,000
Richard A. Robert	\$450,000	\$450,000
Britt Pence	\$404,250	\$385,000

(1) On July 1, 2014, Mr. Pence's base salary was increased to \$404,250 due to increased responsibilities.

Annual Cash Incentive Compensation

The annual cash incentive awards for our named executive officers for 2015 were based on the annual cash incentive compensation program established by our Board of Directors and set forth in each named executive officer's amended employment agreement. Potential annual cash incentive awards are comprised of four parts: (i) absolute target distribution growth ("ATDG"); (ii) adjusted EBITDA growth ("AEG"); (iii) relative unit performance versus a peer group established by the compensation committee ("RUP"); and (iv) individual performance, determined in the discretion of the Board of Directors. The four components each individually comprise 25% of the aggregate potential annual bonus. The annual cash incentive awards are not subject to a minimum payout, but the maximum aggregate payout may not exceed two times an executive officer's base salary. The chart below illustrates the target bonus opportunity for each named executive officer with respect to each of the four bonus components:

<u>Target Bonus Opportunities</u>				
	<u>Target Bonus Opportunity for ATDG Component</u>	<u>Target Bonus Opportunity for AEG Component</u>	<u>Target Bonus Opportunity for RUP Component</u>	<u>Target Bonus Opportunity for Individual Performance Component ⁽¹⁾</u>
Scott W. Smith	\$137,500	\$137,500	\$137,500	\$137,500
Richard A. Robert	\$112,500	\$112,500	\$112,500	\$112,500
Britt Pence	\$101,063	\$101,063	\$101,063	\$101,063

(1) With respect to the individual performance component, which is described in greater detail below, the Board of Directors, in its discretion, may award between 0% and 200% of the "Target Bonus Opportunity" specified above for each named executive officer.

The ATDG component is calculated based on our total distribution paid per unit on the last day of the applicable calendar year. ATDG for the fiscal year ended December 31, 2015 was based on a targeted growth rate of 3% from the distribution rate of \$2.52 annualized for the fiscal year ended December 31, 2014. The 2015 targets were as follows for this component of the bonus:

<u>Approximate Annual Distribution Growth Rate (%)</u>	2%	3%	4%	4.5%	5.5%	6% or more
<u>Approximate Annual Distribution Rate (\$)</u>	\$2.57	\$2.60	\$2.62	\$2.63	\$2.66	\$2.67 or more
<u>Percentage of Target Bonus Opportunity for ATDG Component Earned</u>	50%	100%	125%	150%	175%	200%

The AEG component is calculated based on Adjusted EBITDA growth for the applicable calendar year.

Adjusted EBITDA is a non-GAAP financial measure that is defined as net income (loss) plus the following adjustments:

- Net interest expense; including write-off of deferred financing fees;

- Depreciation, depletion, amortization, and accretion;
- Impairment of oil and natural gas properties;
- Goodwill impairment loss;
- Net gains or losses on commodity derivative contracts;
- Cash settlements on matured commodity derivative contracts;
- Net gains or losses on interest rate derivative contracts;
- Net gains and losses on acquisition of oil and natural gas properties;
- Texas margin taxes;
- Compensation related items, which include unit-based compensation expense and unrealized fair value of phantom units granted to officers; and
- Transaction costs incurred on acquisitions and mergers;

Please refer to Item 6. *Selected Financial Data* in our Annual Report on Form 10-K for the year ending December 31, 2015 for a complete description of how this non-GAAP financial measure is calculated.

AEG for the fiscal year ended December 31, 2015 was based on a targeted growth rate of 15% from the Adjusted EBITDA of \$421.4 million for the fiscal year ended December 31, 2014. The 2015 targets were as follows for this component of the bonus:

<u>Approximate Adjusted EBITDA Growth (%)</u>	7.5%	15%	22.5%	30%	37.5%	45%
<u>Approximate Adjusted EBITDA (in millions) (\$)</u>	\$453.0	\$484.6	\$516.2	\$547.8	\$579.4	\$611.0 or more
<u>Percentage of Target Bonus Opportunity for AEG Component Earned</u>	50%	100%	125%	150%	175%	200%

The RUP component was calculated by comparing the common unit price percentage annual change for specified peer companies to our common unit annual price percentage change. The specified peer companies used included the following entities: Linn Energy, LLC (LINE); Legacy Reserves, LP (LGCY); EV Energy Partners LP (EVEP); and Breitburn Energy Partners LP (BBEP). In the event the Board of Directors determines that any of these entities is no longer an appropriate “peer” company, the Board of Directors may make appropriate adjustments to the group of peer companies. The 2015 targets were as follows for this component of the bonus:

<u>RUP v. Peer Group</u>	50%	100%	150%	200%	250%	300% or more
<u>Percentage of Target Bonus Opportunity for RUP Component Earned</u>	75%	100%	125%	150%	175%	200%

The fourth component, individual performance, is determined at the sole discretion of our Board of Directors and is based upon such targets, performance measures relative to the company and/or the particular executive, time frame and any other item that our Board of Directors determines is appropriate. The inherently discretionary aspect of this portion of our annual incentive bonus program does not provide for payment upon the achievement of objective goals that were communicated to management. Instead, this portion of the bonus is related to individual performance and is intended to provide our compensation committee with the ability to reward management employees for superior performance, where appropriate, determined without regard to the achievement of the financial metrics described above. For 2015, the general categories of performance that were identified and assessed by the compensation committee with respect to the performance of each of our named executive officers were (a) interpersonal effectiveness, (b) business conduct, (c)

professional and technical competency, (d) leadership, and (e) safety. While achievement in these areas of performance was communicated to our named executive officers and considered by management in making recommendations to the compensation committee regarding this aspect of the annual incentive bonuses, these performance goals were not the only measures considered by the compensation committee in its inherently discretionary year-end review of our officers' individual performance. In addition, the compensation committee considered the totality of the circumstances, including not only management's assessment with respect to these specific areas but also, among other things, our execution and integration operationally of the assets previously acquired as well as the completion of various acquisitions to grow the size of Vanguard and its asset base. Such acquisitions presented opportunities for the named executive officers, including the launch of additional financing instruments, integrating updated technologies into Vanguard and managing and developing an even larger portfolio of oil and gas properties.

For 2015, our achievement with respect to the specified performance goals and the amounts awarded to the named executive officers for each of the four components of the annual cash incentive bonus are reflected in the table below:

Named Executive Officer	<u>ATDG Bonus Component</u>			<u>AEG Bonus Component</u>			<u>RUP Bonus Component</u>			<u>Individual Performance Bonus Component</u>		<u>Total Bonus Amount</u> (2)
	<u>Performance Achieved</u>	<u>Bonus Multiplier</u> (1)	<u>Bonus Amount</u>	<u>Performance Achieved</u>	<u>Bonus Multiplier</u> (1)	<u>Bonus Amount</u>	<u>Performance Achieved</u>	<u>Bonus Multiplier</u> (1)	<u>Bonus Amount</u>	<u>Bonus Multiplier</u> (1)	<u>Bonus Amount</u>	
Scott W. Smith	0% growth	0%	\$0	0% growth	0%	\$0	100%	100%	\$137,500	100%	\$137,500	\$275,000
Richard A. Robert	0% growth	0%	\$0	0% growth	0%	\$0	100%	100%	\$112,500	100%	\$112,500	\$225,000

(1) For each component, the "Bonus Multiplier" equals the percentage of Target Bonus Opportunity (identified in the chart above entitled "Target Bonus Opportunities" for each component) earned with respect to such component.

(2) On March 31, 2016, the 2015 bonus was paid out in cash.

Cash Distributions on Unvested Restricted Unit Awards and Payments on Phantom Unit Awards

Participants, including our named executive officers, who hold outstanding restricted unit grants or phantom unit grants (including phantom units that are designed as appreciation vehicles and act as unit appreciation rights) receive current distributions paid on the units awarded, with the underlying units being retained in our custody and subject to restrictions on sale or transfer until the restrictions lapse (in the case of restricted units) or the awards are settled (in the case of phantom units). Alternatively, with respect to certain phantom unit awards, participants may elect to defer all or any portion of these distributions until payment of the underlying award. Each of our named executive officers received the following distributions on their unvested restricted units and their phantom unit awards during 2015:

<u>Name</u>	<u>2015 Distributions on Unvested Restricted Units</u>	<u>2015 Payment on Phantom Units</u>
Scott W. Smith	\$ 79,750	\$ 230,742
Richard A. Robert	\$ 69,781	\$ 171,108
Britt Pence	\$ —	\$ 111,506

Long-Term Incentive Compensation

In keeping with our philosophy that compensation should incentivize executives and create long-term value for our Unitholders, we provide a significant portion of our named executive officers' compensation in the form of long-term equity incentive compensation. We typically grant long-term equity awards under the LTIP to our named executive officers each year; however, pursuant to the amended employment agreements we entered into with our named executive officers during 2013, equity awards are made effective January 1 of the year following the performance year. As a result, the annual equity awards for the 2015 performance year were made on January 1, 2016, and, in accordance with SEC rules, will be reported in the Summary Compensation Table as 2016 compensation in our fiscal year 2016 Form 10-K or the proxy statement for our 2017 Annual Meeting of Unitholders. The awards that are reflected in our Summary Compensation Table for the 2015 year relate to the awards that we granted on January 1, 2015, but which were granted with respect to the 2014 performance year.

As described above under “—Employment Agreements,” each of our named executive officers is eligible to receive an annual equity award with an aggregate fair market value equal to the executive's annual base salary rate (on the date of grant) multiplied by a specified multiplier. Accordingly, on January 1, 2015 with respect to the 2014 performance year, and on January 1, 2016 with respect to the 2015 performance year, the named executive officers each received an award of restricted units with an aggregate fair market value on the date of grant equal to (i) five (5) times base salary, in the case of Mr. Smith, (ii) three and a half (3.5) times base salary, in the case of Mr. Robert, and (iii) two and three-quarters (2.75) times base salary, in the case of Mr. Pence. The restricted units vest in three substantially equal annual installments on the first three anniversaries of the date of grant of the awards, subject to continued employment by the executive. Each executive is entitled to receive distribution equivalent rights with respect to the restricted units, which are subject to the same vesting requirements as the underlying restricted units and will be paid at the time the restricted units vest.

Termination Arrangements and Change in Control Provisions

The employment agreements with our named executive officers provide for compensation to be paid under certain conditions, such as following a change in control, upon a termination by us “without cause” or by the executive for “good reason” or due to the executive's death or disability, each as defined in the applicable agreement. In addition, the vesting of outstanding restricted unit and phantom unit awards granted under our LTIP may be accelerated, and payments of certain previously vested phantom units may be triggered, in the event of certain occurrences, such as a change in control or specified terminations of employment. These provisions are designed to meet the following objectives:

- *Change in Control.* In certain scenarios, the potential for merger or being acquired may be in the best interests of our Unitholders. As a result, we provide compensation to certain executives following a change in control transaction to promote the ability of the officer to act in the best interests of our Unitholders. None of our named executive officers is entitled to receive a gross up payment for any potential excise taxes that may be imposed on any change in control payment.
- *Termination Without Cause or For Good Reason.* If we terminate the employment of an executive officer “without cause” or the executive officer terminates his employment for “good reason” (in each case, as defined in the applicable agreement), we are obligated to pay the executive certain compensation and other benefits as described in greater detail in “Potential Payments upon Termination or Change in Control” below. Both parties have mutually agreed to severance terms that would be in place prior to any termination event. This provides us with more flexibility to make a change in senior management if such a change is in the best interests of us and our Unitholders.

Risk Considerations in our Overall Compensation Program

We believe that our compensation program is structured in such a way as to discourage excessive risk-taking. In making this determination, we considered various aspects of our compensation program, including the mix of fixed and performance-based compensation for management and other key employees. Our performance-based compensation awards are designed to reward both short- and long-term performance. By linking a portion of total compensation to our long-term performance, we mitigate any short-term risk that could be detrimental to our long-term best interests and the creation of Unitholders value. Our equity-based performance awards are subject to multi-year vesting periods and derive their value from our total performance, which we believe further encourages decision-making that is in the long-term best interests of us and our Unitholders. We believe that in the aggregate, our compensation program discourages any risk-taking that could be detrimental to the long-term interests of Vanguard, our performance, or our unit price. In conclusion, we believe that our compensation policies and practices for all employees, including executive officers, do not create risks that are reasonably likely to have a material adverse effect on us.

Tax and Accounting Implications

Accounting for Unit-Based Compensation

We account for unit-based payments for all awards under our LTIP in accordance with the requirements of Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 718. The compensation committee reviews the FASB ASC Topic 718 grant date value in connection with granting equity awards.

Tax Considerations of Executive Compensation

Section 162(m) of the Internal Revenue Code and the regulations that accompany it provide that the deductibility of compensation paid to certain executive officers may be limited in certain circumstances. As a limited liability company, we are not subject to Section 162(m).

Section 409A of the Internal Revenue Code governs the payment of deferred compensation. Failure to comply with the requirements of Section 409A can result in an additional 20% excise tax on noncompliant payments to executives, and we intend that payments under our executive employment agreements and the LTIP comply with, or are exempt from, the payment restrictions of Section 409A or the regulations thereunder.

Compensation-Related Governance Practices

Unit Ownership Guidelines

We believe that broad-based unit ownership by our employees, including our named executive officers, is the most effective method to deliver superior Unitholder returns by increasing the alignment between the interests of our employees and our Unitholders. We do not, however, have a formal requirement for unit ownership by any group of employees or directors.

Clawback Policy

To date, we have not adopted a formal clawback policy to recoup incentive based compensation upon the occurrence of a financial restatement, misconduct, or other specified events. However, the compensation committee recognizes the practical, administrative and other implications of implementing and enforcing a clawback policy and intends to adopt such a policy in compliance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 once additional guidance is promulgated and finalized by the SEC.

Securities Trading Policy

All of our officers, employees and directors are subject to our Insider Trading Policy, which, among other things, prohibits officers, employees and directors from engaging in certain short-term or speculative transactions involving our securities.

Report of the Compensation Committee

The compensation committee has reviewed and discussed the compensation discussion and analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the compensation committee recommended to the Board of Directors that the compensation discussion and analysis be included in this Proxy Statement.

2015 Summary Compensation Table

The following table sets forth certain information with respect to the compensation paid to our named executive officers for the fiscal years ended December 31, 2015, 2014 and 2013.

Name and Principal Position	Year	Salary ⁽¹⁾	Bonus ⁽²⁾	Unit Awards ⁽³⁾	Non-Equity Incentive Plan Compensation ⁽⁴⁾	All Other Compensation ⁽⁵⁾	Total

Britt Pence Executive Vice President of Operations	2015	\$ 404,250	\$ 101,063	\$ 1,111,684	\$ 101,063	\$ 15,900	\$ 1,733,960
	2014	\$ 394,625	\$ 101,062	\$ 1,058,764	\$ 303,188	\$ 15,600	\$ 1,873,239
	2013	\$ 385,000	\$ 192,500	\$ —	\$ 385,000	\$ 15,300	\$ 977,800

- (1) The Board of Directors approved the option for the executive officers to receive Vanguard common units in lieu of their 2015 cash compensation. Messrs. Smith and Robert elected this option and under the plan received four quarterly grants of Vanguard common units instead of their 2015 full cash compensation. Effective July 1, 2014, Mr. Pence’s annual salary increased from \$385,000 to \$404,250.
- (2) Represents amounts paid pursuant to our annual cash incentive program with respect to the individual performance component determined at the sole discretion of our Board of Directors. As noted on the bonus calculation table on page 20, the individual performance bonus calculation for Messrs. Smith, Robert and Pence were \$137,500, \$112,500 and \$101,063 respectively. Other payments made pursuant to the annual cash incentive program with respect to the ATDG, AEG and RUP components are included in the “Non-Equity Incentive Plan Compensation” column.

- (3) The amounts in this column reflect the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 of restricted unit awards and full-value phantom unit awards granted pursuant to the LTIP, disregarding the estimate of forfeitures. The only equity awards granted to our named executive officers in 2015 were restricted unit awards granted to Messrs. Smith, Robert and Pence with respect to the 2015 performance year. Assumptions used in the calculation of the restricted unit awards granted in 2015 are included in footnote 10 to our audited financial statements, included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015. Awards granted with respect to the 2015 performance year were not granted until the 2016 year; therefore, they will be reflected in next year's Summary Compensation Table as applicable.
- (4) Represents amounts paid for 2015 pursuant to our annual cash incentive program with respect to the ATDG, AEG and RUP components. Other payments made pursuant to the annual cash incentive program with respect to the individual performance component determined at the sole discretion of our Board of Directors are included in the "Bonus" column.
- (5) Amount shown for each named executive officer is the amount received in the form of matching contributions to our 401(k) Plan.

Grants of Plan Based Awards

The following table sets forth certain information regarding the restricted units we granted under our LTIP and the non-equity incentive plan portion of our annual cash incentive awards granted to the named executive officers in the year ended December 31, 2015.

Name	Grant Date	Estimated future payouts under non-equity incentive plan awards ⁽¹⁾			All Other Unit Awards; Number of Units ⁽²⁾	Grant Date Fair Value of Unit Awards (\$) ⁽³⁾
		Threshold	Target	Maximum		
Scott W. Smith	1/1/2015				182,482	\$ 2,750,004
	Annual Bonus	—	\$ 412,500	\$ 825,000		
Richard A. Robert	1/1/2015				104,512	\$ 1,574,996
	Annual Bonus	—	\$ 337,500	\$ 675,000		
Britt Pence	1/1/2015				73,768	\$ 1,111,684
	Annual Bonus	—	\$ 303,188	\$ 606,375		

- (1) Represents the potential payouts with respect to the ATDG, AEG and RUP components of the 2015 awards granted under our annual cash incentive compensation program. The target payout under each of the ATDG, AEG, and RUP components for 2015 was 25% of base salary, making the cumulative target equal to 75% of base salary. The maximum payout under each of the ATDG, AEG, and RUP components for 2015 was 200% of target, and the overall maximum that may be paid out under the annual cash incentive compensation program to each named executive officer for 2015 was 200% the officer's base salary. Since 25% of each officer's annual cash incentive award is composed of an individual performance component, which is not reported in this table, the overall maximum for the ATDG, AEG, and RUP components of the award is 150% of each named executive officer's base salary, which is what is reported as the "maximum" in the table above. These awards were subject to achieving certain performance targets, as described in greater detail under "2015 Executive Compensation Components—Annual Cash Incentive Compensation." The amounts actually paid with respect to these components are set forth in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table for 2015. As previously noted, amounts reported in the table above do not include amounts potentially payable with respect to the individual performance portion of the annual cash incentive awards that is determined in the sole discretion of the Board of Directors. The amounts actually paid with respect to the individual performance portion of the awards are reported in the "Bonus" column of the Summary Compensation Table for 2015.
- (2) All awards reflected in this column are restricted unit grants.
- (3) Represents the aggregate grant date fair value of the restricted unit awards made to the named executive officers in fiscal year 2015 computed in accordance with FASB ASC Topic 718, disregarding the estimate of forfeitures. The value ultimately realized by the executive upon the actual vesting or payment of the awards may be greater or less than the FASB ASC Topic 718 value. The restricted unit awards reflected in this table were granted with respect to the 2014 performance year; awards granted with respect to the 2015 performance year were not granted until the 2016 year and will be reflected in next year's Grants of Plan Based Awards Table as applicable.

Outstanding Equity Awards at December 31, 2015

The following table provides the number and value of outstanding restricted unit and phantom unit awards held by our named executive officers as of December 31, 2015, including awards that were granted prior to 2015.

	Unit Awards	
	Number of Unvested Units ⁽¹⁾	Market Value of Unvested Units (\$) ⁽²⁾
Scott W. Smith	374,586	\$ 1,116,266
Richard A. Robert	227,580	\$ 678,188
Britt Pence	123,678	\$ 368,560

(1) Each named executive officer's outstanding restricted units vest in equal one-third installments on each annual anniversary of the grant date, except for (a) the 50,000 and 37,500 restricted units granted to Mr. Smith and Mr. Robert, respectively, on November 15, 2013, which vest in full on the fifth anniversary of the grant date and (b) the full-value phantom unit awards that were granted on August 1, 2012 to each named executive officer vest in equal one-fifth installments annually beginning May 18, 2013 and each anniversary thereof. The following table reflects the number of unvested unit awards for each named executive officer as of December 31, 2015:

Name	Grant Date	Type of Award	Number of Units Granted	Number of Unvested Units
Scott W. Smith	11/15/13	Restricted Units	50,000	50,000

Richard A. Robert	11/15/13	Restricted Units	37,500	37,500

(2) Based on the closing sales price of our common units on December 31, 2015 of \$2.98.

Option Exercises and Units Vested Table

The following table sets forth information for each named executive officer on option award exercises and unit award vesting on an aggregated basis during the fiscal year ended December 31, 2015.

Name	Option Awards		Unit Awards	
	Number of Units Acquired on Exercise (#)	Value Realized on Exercise (\$) ⁽¹⁾	Number of Units Acquired on Vesting (#)	Value Realized on Vesting (\$) ⁽²⁾

Scott W. Smith	15,000	\$	—	71,053	\$	1,119,969
Richard A. Robert	15,000	\$	—	49,036	\$	694,285
Britt Pence	—	\$	—	37,456	\$	594,952

(1) Phantom units awarded to each of Messrs. Smith and Robert in prior years are designed to be appreciation-only vehicles that act most similarly to unit appreciation rights. The awards do not have an “exercise” price like a traditional option award, but the value of the awards is based on the appreciation in value of our common units from the date of grant until the date the award vested. The value, if any, realized on vesting of these phantom unit awards is computed by multiplying (a) the number of units vesting by (b) the difference between (i) the market price per underlying unit on the vesting date (January 1, 2015) and (ii) the “exercise price,” or the closing price of our common units on the last trading date immediately preceding the grant date (December 31, 2011), per unit, as reflected in the following table. The value, if any, realized with respect to these awards will be paid to the named executive officers in a single lump sum cash payment upon the earlier to occur of (i) a change in control (in which case payment will be made within 90 days of the change in control) or (ii) the executive’s separation from service other than for cause (in which case payment will be made no later than December 31 of the calendar year in which the separation from service occurs or within 60 days of the separation from service, if separation from service occurs on or after December 1 of a calendar year).

Name	Grant Date	Number of Units Vesting	“Exercise Price” Per Unit	Vesting Date	\$ Per Unit on Vesting Date	Total Value

Because the “exercise price” of the phantom units that vested during 2015 exceeded the market price of our common units on the January 1, 2015 vesting date, no payments with respect to these awards will be made to Messrs. Smith and Robert.

(2) The value realized on vesting of the restricted unit awards and full-value phantom unit awards is computed by multiplying the number of units vesting by the market price of the underlying units as of the vesting date, as reflected in the following table:

(a) The market price per unit is equal to the closing price of our common units on the most recent trading day prior to the vesting date.

Pension Benefits

We do not provide pension benefits for our named executive officers or other employees. Retirement benefits are provided through the 401(k) Plan, as discussed previously.

Non-Qualified Deferred Compensation

We do not sponsor or maintain a non-qualified deferred compensation plan that requires disclosure pursuant to SEC rules. The 401(k) Plan is a deferred compensation arrangement under Section 401(k) of the Internal Revenue Code and a qualified plan under Section 401(a) of the Internal Revenue Code.

Potential Payments Upon Termination or Change in Control

Except as otherwise described below, the current employment agreements and LTIP equity award agreements for each of our executive officers provide for substantially similar trigger events upon certain terminations of employment of our executive officers and/or the occurrence of a change in control, and for substantially similar payments upon such trigger events.

Termination of Employment Trigger Events

An executive officer's employment will terminate upon the executive's death or upon the executive's "disability," which is defined as his becoming unable to substantially perform his duties as an employee as a result of sickness or injury, and shall have remained unable to perform any such duties for a period of more than 180 consecutive days in any 12-month period.

We, by action of our Board of Directors, may also terminate an executive's employment at any time for "cause," which means: (1) the executive officer's commission of theft, embezzlement, any other act of dishonesty relating to his employment with us or any willful and material violation of any law, rules or regulation applicable to us, including, but not limited to, those laws, rules or regulations established by the SEC, or any self-regulatory organization having jurisdiction or authority over the executive officer or us; (2) the executive officer's conviction of, or plea of guilty or nolo contendere to, any felony or of any other crime involving fraud, dishonesty or moral turpitude; (3) a determination by the Board of Directors that the executive officer has materially breached the employment agreement (other than during any period of disability) where such breach is not remedied within 10 days after written demand by the Board of Directors for substantial performance is actually received by the executive officer which specifically identifies the manner in which the Board of Directors believes the executive officer has so breached; or (4) the executive officer's willful and continued failure to perform his reasonable and customary duties pursuant to his position with us which such failure is not remedied within 10 days after written demand by the Board of Directors for substantial performance is actually received by the executive officer which specifically identifies the nature of such failure. We also may terminate an executive's employment agreement for any other reason, including without "cause," in the sole discretion of our Board of Directors.

The executive may terminate his employment for "good reason," which means: (1) the assignment to the executive officer of duties and responsibilities that are materially inconsistent with those normally associated with his position excluding for this purpose an isolated, insubstantial and inadvertent action not taken in bad faith and which is remedied by us promptly after receipt of notice given by the executive officer; (2) a material reduction in the executive officer's base salary; (3) the executive officer's removal from his position as stated in his employment agreement, other than for cause or by death or disability, to a position not at least equivalent in authority and duties; (4) the relocation of the executive officer's principal place of business to a location 50 or more miles from its location as of the effective date of his employment agreement without the executive officer's written consent; (5) a material breach by us of his employment agreement, which materially adversely affects the executive officer, and the breach is not cured within 30 days after the executive officer provides written notice to us which identifies in reasonable detail the nature of the breach; and (6) our failure to make any material payment to the executive officer as required to be made under the terms of his employment agreement, and the breach is not cured within 30 days after the executive officer provides written notice to us which provides in reasonable detail the nature of the payment. Finally, the executive officer may terminate his employment agreement for any other reason, in his sole discretion.

Payments Made Upon Termination

Regardless of the manner in which an executive officer's employment terminates, the executive will be entitled to receive amounts earned (but unpaid) during his term of employment. Such amounts include:

- earned, but unpaid base salary;
- non-equity incentive compensation earned during the prior fiscal year (provided the executive was continuously employed for the full prior fiscal year);
- a pro-rated amount of accrued but unused vacation pay; and
- Any unpaid reimbursements for qualifying business expenses incurred prior to the termination of employment (collectively, the "Accrued Obligations").

Termination Due to Disability. If the executive officer's employment is terminated due to his disability, then in addition to any Accrued Obligations he may be owed, the executive will be entitled to receive on the date of termination a payment equal to the executive officer's base salary for 12 months. Additionally, any unvested restricted units held by the executive officer, as well as any unvested phantom units and any other awards that are outstanding at the time of the termination of employment that were granted pursuant to the LTIP that have been granted to our executive officer, will become fully vested and unrestricted, pursuant to the terms of the relevant award agreements, upon a termination of employment due to the officer's disability.

Termination Due to Death. If the executive officer's employment is terminated due to his death, then in addition to any Accrued Obligations he may be owed, the executive, his beneficiary or his estate, as applicable, will be entitled to receive on the date of termination a payment equal to the executive officer's base salary for 12 months. Additionally, any unvested restricted units held by the executive officer, as well as any unvested phantom unit awards and any other awards that are outstanding at the time of the termination of employment that were granted pursuant to the LTIP that have been granted to our executive officers, will become fully vested and unrestricted, pursuant to the terms of the relevant award agreements, upon a termination of employment due to the officer's death.

Termination for Good Reason. If the executive terminates his employment for good reason or is terminated by us without cause, then in addition to any Accrued Obligations he may be owed, we shall pay the executive officer a severance payment equal to the executive's base salary for 36 months. Additionally, any unvested restricted units held by the executive officer, as well as any unvested phantom unit awards and any other awards that are outstanding at the time of the termination of employment that were granted pursuant to the LTIP that have been granted to our executive officers, will become fully vested and unrestricted, pursuant to the terms of the relevant award agreements, upon a termination of employment by the officer due to good reason or by us without cause.

Termination for Cause or Other Than for Good Reason. Upon termination by us for cause or by the executive other than for good reason (each as defined above), the executive officer is only entitled to any Accrued Obligations that may be due to him at the time of termination under his employment agreement. Additionally, (a) upon any termination of employment by us for cause, any unvested or vested restricted units or unvested or vested phantom units held by the executive officer that have not previously been settled, as well as any unvested appreciation-only phantom units that are held by Messrs. Smith and Robert, will be forfeited to us, and (b) upon any termination of employment by the executive for a reason other than good reason, any unvested restricted units or unvested phantom units held by the officers will be forfeited, and vested restricted units or vested phantom units will be settled in accordance with the terms of the relevant award agreements.

Payments Made Under Phantom Units. For any termination of employment for any reason other than a termination by us for cause (as defined above), any vested and outstanding phantom units granted annually to the executive officers pursuant to their employment agreements (including appreciation-only awards) held by any of the executive officers shall be paid in either cash or units pursuant to the terms of the relevant annual phantom unit award agreement, along with a lump sum cash payment of any deferred distribution equivalent rights granted tandem to such

phantom units, on the six month anniversary of the officer's termination of employment, if such a delay would be necessary to avoid the imposition of additional taxes to the executive under Section 409A of the Internal Revenue Code.

Payments Made upon a Change in Control

Under Messrs. Smith, Robert and Pence's employment agreements, the occurrence of a change in control will entitle each executive officer to (i) a lump sum cash payment in an amount equal to two times the sum of (A) such executive officer's then-current annual base salary, (B) the annual bonus paid or payable with respect to the calendar year preceding the year in which the change in control occurs and (ii) the accelerated vesting of any unvested restricted units held by the executive officer, as well as any unvested phantom unit awards and any other awards that are outstanding at the time of the change in control that were granted pursuant to the LTIP, such awards to be settled in accordance with the terms and conditions of the LTIP and the applicable individual award. None of our named executive officers is entitled to receive a gross-up payment for any potential excise taxes that may be imposed on any change in control payment.

Estimated Payments to Executives

Assuming that a change in control occurred on December 31, 2015 and/or each executive was terminated under each of the above circumstances on December 31, 2015, and the closing price of our units on December 31, 2015 (which was the last trading day of the 2015 fiscal year) was equal to \$2.98 per unit, payments and benefits owed to such executives would have an estimated value as set forth in the tables below. Actual payment amounts cannot be determined with any certainty until the termination or change in control event occurs in the future.

Disability	\$ 404,250	\$ 291,080	\$ 77,480	\$ 772,810

- (1) Under Messrs. Smith, Robert and Pence's employment agreements, the occurrence of a change in control will entitle each executive officer to a lump sum cash payment of two times the sum of such executive officer's (i) then current base salary and (ii) annual bonus paid or payable with respect to the calendar year preceding the year in which the change in control occurs. For purposes of these tables we have used the value of the annual bonus as well as the non-equity incentive plan

compensation award provided to the executives with respect to the 2014 year to calculate the cash payment that could have become payable on December 31, 2015.

Non-Competition Provisions

Each executive's employment agreement contains certain confidentiality, non-solicitation and non-competition provisions. Each executive agrees, during his term of employment and following his termination date, not to disclose Vanguard's confidential information. If an executive's termination is as a result of the executive's voluntary termination without "good reason" or of a termination by us for "cause," for a period of sixty days from the date of termination, the executive will not, directly or indirectly:

- engage in any capacity (i) in any business directly competitive with the business in which we are engaged or (ii) with an entity that is otherwise directly competitive with us within the states in which we do business;
- perform for any entity engaged in any business directly competitive with the business in which we are engaged any duty the executive has performed for us that involved the executive's access to, or knowledge or application of, our confidential information;
- induce or attempt to induce any of our customers, suppliers, licensees or other business relations to cease doing business with us or in any way interfere with the relationship between us and any such customer, supplier, licensee or business relation;
- induce or attempt to induce any of our customers, suppliers, licensees or other business relations with whom the executive had direct business contact in dealings in the course of his employment with us to cease doing business with us or in any way interfere with the relationship between us and any such customer, supplier, licensee or business relation; or
- solicit with the purpose of hiring or hire any person who is or, within 180 days after such person ceased to be our employee, was our employee.

Following an executive's termination as a result of an executive's voluntary termination without "good reason" or a termination by us for "cause," the executive may have investments in securities which are issued by an entity involved in or conducting business that is directly competitive with our business, provided that the executive, directly or indirectly, does not own more than 5% of the outstanding equity or voting securities of such an entity. The executive is also not prohibited from owning an interest in any entity which conducts business that is directly competitive with our business if such interest was owned by the executive when the executive's employment agreement was executed. In both instances, this right exists only to the extent the executive does not have the right to direct the activities of such business entity.

Director Compensation

We use a combination of cash and unit-based incentive compensation to attract and retain qualified candidates to serve on our Board of Directors. In setting independent director compensation, we consider the significant amount of time that directors expend in fulfilling their duties to us, as well as the skill-level required by us of members of our Board of Directors.

The compensation committee made no changes in 2015 to our independent board of directors' compensation packages that were approved for 2014. Accordingly, in 2015, each independent member of our Board of Directors received an equity grant under our LTIP of 8,778 restricted units valued at \$130,002 at the time of such grant for his service as a member of our Board of Directors for the year. These restricted units become 100% vested on the one year anniversary of the date of grant, provided the director has continuously remained a member of our Board of Directors

through that date. In addition, the Board of Directors approved the compensation committee's recommendation to maintain the amount of cash compensation paid to the independent members of our Board of Directors at \$15,000 per quarter with an additional \$2,500 per quarter for the chairman of the audit committee.

Each member of our Board of Directors is reimbursed for out-of-pocket expenses in connection with attending meetings of the Board of Directors or committees. Each director is fully indemnified by us for actions associated with being a member of our Board of Directors to the extent permitted under Delaware law and as provided in our limited liability company agreement and in accordance with the indemnification agreements.

2015 Director Summary Compensation Table

The table below summarizes the compensation paid by us to our independent directors for the fiscal year ended December 31, 2015.

<u>Name</u> ⁽¹⁾	<u>Fees Earned or Paid</u> ⁽²⁾	<u>Unit Awards</u>		<u>Total (\$)</u>
		<u>Cash Value</u> ⁽³⁾		
W. Richard Anderson	\$ 60,000	\$ 130,002	\$	190,002
Bruce W. McCullough	\$ 70,000	\$ 130,002	\$	200,002
Loren Singletary	\$ 60,000	\$ 130,002	\$	190,002

- (1) Messrs. Smith and Robert are not included in this table as they are also executive officers and receive no additional compensation for their service as directors. All compensation provided to or earned by Messrs. Smith and Robert for 2015 is reported in the Summary Compensation Table above.
- (2) The Board of Directors approved the option for the Board of Directors to receive Vanguard common units in lieu of their 2015 cash compensation. Each of Messrs. McCullough, Singletary and Anderson elected this option and under the plan received four quarterly grants of VNR common units instead of their 2015 full cash compensation.
- (3) Each independent Board member was granted 8,778 restricted units on January 13, 2015 as part of their annual compensation package. These restricted units became 100% vested on the one year anniversary of the date of grant, provided the director continuously remained a member of our Board of Directors through that date. Any unvested units will be forfeited upon termination of services for any reason, unless otherwise waived. The value reported above reflects the aggregate grant date fair value of restricted unit awards granted in 2015 computed in accordance with FASB ASC Topic 718, disregarding any estimate of forfeitures. Assumptions used in the calculation of these amounts are included in footnote 10 to our audited financial statements for the fiscal year ended December 31, 2015, included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015. As of December 31, 2015, Messrs. Anderson, McCullough and Singletary each held 8,778 unvested restricted units, which became 100% vested on January 13, 2016.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth the beneficial ownership of our units by:

- each Unitholder known by us to be a beneficial owner of more than 5% of our outstanding units;
- each of our directors and named executive officers; and
- our directors and executive officers as a group.

The amounts and percentage of units beneficially owned are reported on the basis of the SEC rules governing the determination of beneficial ownership of securities. Under the SEC rules, a person is deemed to be a “beneficial owner” of a security if that person has or shares “voting power,” which includes the power to vote or to direct the voting of such security, and/or “investment power,” which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities as to which he has no economic interest.

Percentage of total units beneficially owned is based on 131,039,674 common units outstanding and 420,000 Class B units outstanding as of September 6, 2016. Except as indicated by footnote, to our knowledge the persons named in the table below have sole voting and investment power with respect to all units shown as beneficially owned by them, subject to community property laws where applicable. Unless otherwise indicated, the address of all of our directors and executive officers is c/o Vanguard Natural Resources, LLC, 5847 San Felipe, Suite 3000, Houston, Texas 77057.

We are submitting the selection of BDO USA, LLP to Unitholders for ratification as a matter of good corporate practice.
