AUTHORIZATION FOR ELECTRONIC FUNDS TRANSFER PAYMENT

The undersigned, hereinafter called "Owner", is representing that he/she is the owner of an oil, gas and/or mineral interest that is currently paid by Encore Energy Operating, L.L.C. or Vanguard Permian, L.L.C., as designated operator for Vanguard's record title interest (hereinafter called "Company"). Owner is now authorizing the Company to make direct deposit (EFT) payments for his/her owned interest to the financial institution and owner account as designated below.

Owner agrees that electing to participate in EFT payments will not amend any lease agreements between the Company and Owner. This agreement simply allows for EFT payments in lieu of paper check payments.

Owner agrees to give at least thirty (30) days advance written notice of any change in the payment instructions shown below. Owner agrees that any changes to their mailing address will continue to be submitted in writing to the Company. Owner agrees that the Company will not be held liable for any interest or other claim arising as the result of Owner's failure to provide written notice of any payment instruction changes. Owner also releases and agrees to indemnify and hold the Company harmless for any loss, claim, damage, or interest incurred as the result of Owner's depository institution's failure to properly *or* promptly post any EFT payment and/or as a result of any error or omission in the payment instructions provided by or on behalf of Owner. Company assumes no responsibility for fees or deductions made by the Owner's depository financial institution. Because of limitations in the amount of information included in electronic funds transfer, the Company will provide remittance detail to Owner through a secure internet website. The Owner will receive an email notifying them when the payment is made. **Owner understands and agrees that the Company will have up to sixty (60) days after receipt of the authorization form to process the EFT request.**
